

CONTINUATION IN SUPPORT OF CRIMINAL COMPLAINT

I, Ryan Roskey, a Special Agent with the Federal Bureau of Investigation (FBI), being duly sworn, hereby depose and state as follows:

Introduction

1. I have been employed as a Special Agent of the FBI since 2019 and am currently assigned to the Detroit Division. My duties include the investigation of alleged violations of federal criminal laws, including 18 U.S.C. § 875(c) – Interstate Communications (i.e., transmitting in interstate or foreign commerce any communication containing any threat to injure the person of another). Prior to becoming an FBI Special Agent, I was employed as a police officer and detective for approximately 10 years. As a police detective, I was responsible for numerous types of complex criminal investigations involving child abuse, sexual assault, internet crimes against children, child sexual abuse material (CSAM), drug endangered children, human trafficking, narcotics trafficking, firearms violations, gang investigations, fugitives, and violent crime. In this role, I have been assigned to the United States Marshals Violent Fugitive Task Force and the FBI Omaha Safe Streets Task Force. I have completed hundreds of hours of specialized investigative training from the FBI, Drug Enforcement Agency (DEA) and United States Department of Justice.

2. This continuation is submitted in support of a criminal complaint charging SEANN PATRICK PIETILA with a violation of 18 U.S.C. § 875(c). Based on my training and experience and the facts set forth in this affidavit, there is probable cause to believe that, in the Western District of Michigan, SEANN PATRICK PIETILA committed violations of Section 875(c).

3. The statements contained in this continuation are based in part on information provided by U.S. federal law enforcement agents, written reports about this and other investigations that I have received, directly or indirectly, from other law enforcement agents, including local law enforcement agencies, information gathered from investigative sources of information, and my experience, training and background as a Special Agent.

4. This continuation is submitted for the limited purpose of providing probable cause in support of the criminal complaint. I have not included each and every fact known to me concerning this investigation. I have set forth only the facts that I believe are necessary to establish probable cause to believe that SEANN PIETILA has violated 18 U.S.C. § 875(c).

5. Title 18, United States Code, Section 875(c) prohibits the transmission in interstate or foreign commerce any communication containing any threat to kidnap any person or any threat to injure the person of another. I have

been advised by the U.S. Attorney’s Office for the Western District of Michigan that, to prove a violation of Section 875(c), the government must prove that: (1) the defendant sent a message in interstate commerce; (2) that a reasonable observer would view the message as a threat; and (3) that the defendant intended the message as a threat. *United States v. Doggart*, 906 F.3d 506, 510 (6th Cir. 2018) (citing *Elonis v. United States*, 135 S. Ct. 2001, 2011 (2015)). “True threats” are not protected by the United States Constitution. *Elonis*, 135 S. Ct. at 2016; *see also R.A.V. v. St. Paul*, 505 U.S. 377, 388 (1992) (citing *Watts v. United States*, 394 U.S. 705 (1969)) (“[T]hreats of violence are outside the First Amendment.”). True threats are “statements where a speaker means to communicate a serious expression of an intent to commit an act of unlawful violence to a particular individual or group of individuals.” *Virginia v. Black*, 538 U.S. 343, 359 (2003). The threat need only be communicated in interstate commerce; it need not be communicated directly to the individual or group of individuals that are the subject of the threat. *See Doggart*, 906 F.3d at 512 (observing that *Elonis* “said nothing about an intimidation requirement”); *United States v. Morales*, 272 F.3d 284, 288 (5th Cir. 2001) (finding that statements made to a third party in an internet chat room were, nevertheless, true threats under 18 U.S.C. § 875(c)); *United States v. Myers*, 104 F.3d 76, 77-78 (5th Cir. 1997) (finding that threats made by defendant

against the Veterans Administration and Congress during a telephone call to an employee of the Paralyzed Veterans of America were true threats). In other threat contexts, courts have found that the threats need not be communicated directly to the subject of the threat. *See, e.g., United States v. Hanna*, 293 F.3d 1080, 1088 (9th Cir. 2002) (a jury could conclude that statements were true threats against the President though they were never delivered to him, any of his aides or any federal agencies); *United States v. Turner*, 720 F.3d 411, 424 (2d Cir. 2013) (finding that statements encouraging third parties to commit violence against federal judges constitute true threats).

6. The United States Attorney's office also advised me that the United States Supreme Court is currently considering whether the First Amendment precludes criminal conviction of a defendant who makes a communication that a reasonable person would understand as a threat of injury or death unless the prosecution has proof beyond a reasonable doubt of the defendant's subjective intent or knowledge that it would be taken as such a threat. *See Counterman v. Colorado*, No. 22-138, 143 S. Ct. 644 (Jan. 13, 2023). Oral argument was held in April 2023, but the Supreme Court has not decided that issue.

Probable Cause

7. On or about June 13, 2023, the FBI received a report of threatening communications exchanged via online social media messaging. The report identified Instagram username finnishv64 as making threats to commit a mass causality incident. Instagram (Meta Platforms, Inc.), which is headquartered in California, provided a 210-page document of user information related to finnishv64. Open-source information provided by Meta Platforms, Inc. indicates that it maintains datacenters to supply its products like Instagram in multiple states outside of Michigan and outside of the United States, including Ireland, Denmark, Sweden, and Singapore. The document contained messaging records and other subscriber information.

Body No problem bro 😎 yeah seriously, even not fully traditional. I meanmy ex is kinda emo. 😭 Just be loyal and stay with a man who very clearly loves and cares for you. like she even knows I would do anything for her. She's said it to me. 🤪 The problem is I just get way to attached to the person and this generation is just not for that.

Gets with a natsoc that is a extremest mass shooter aswell. 😂 like I had plans already made back in march, but I started dating her so I cancelled them. 😞 reminds me, she tried to blame me of cheating a few days ago! 🗿 like the fuck? Me cheat? I find that shit so disgusting. Loyalty or death is what I live by. All because I posted the grenade vest picture on my story instead of sending it to her. 😂 lmao 🗿 🗿 that's actually hilarious 😂 I'll study the buildings layout don't worry 🗿

9. The above messages are not a complete verbatim account of the exchanges between finnishv64 and other Instagram users. I have only cited the above messages for the purpose of establishing probable cause. As demonstrated above, finnishv64 has communicated Neo-Nazi style ideology, antisemitism, suicidal ideologies, glorification of past mass shooters (that advocate similar ideology), and a desire and his intent to mimic past mass shooters/mass casualty incidents.

10. Finnishv64 specifically references admiration for Brenton Tarrant (Tarrant). Tarrant committed acts of mass murder in New Zealand. On March 15, 2019, Tarrant committed two consecutive mass shootings on Mosques located in New Zealand. Tarrant killed 51 people and injured 40 more. Tarrant live-streamed his attack via Facebook Live. Tarrant pled guilty to 92 charges including murder, attempted murder, and engaging in a terrorist act. He was subsequently convicted

of all charges and sentenced to life in prison. Finnishv64 specifically mentions “I just need a camera for live streaming.” As shown above, Finnishv64 mentions planning the attack to mimic “b.t’s” attack and states “All I know is, it’s not just gonna be a copy of Brenton’s.”

11. According to a Washington Post online article about the attack perpetrated by Tarrant, Tarrant’s bullet proof vest, weapons, and magazines were covered with white symbols and white writings. Some of the writings were in reference to Adolf Hitler and the names of other mass shooters. Investigators believe that PIETILA’s comments about white paint are in reference to Tarrant’s use of white symbols and writings on his gear during the March 15, 2019, attack in New Zealand. The following image was reported to be Tarrant’s bullet proof vest and magazines:

12. Additional open-source checks led agents to Pinterest account @finnishv1, which included posts of Nazi imagery and mass killers Brenton Tarrant and Anders Behring Breivik. According to open-source checks, Breivik killed over 70 people at a youth camp and another seven with a car bomb in the Norwegian capital of Oslo. The below photographs were found in the finnishv1 Pinterest account:

20. On May 15, 2023, an Instagram user sends finnishv64 the below photo with the accompanying message “show your face pussy.” Finnishv64 responds “Show my face for the feds? No thanks”:

21. The cat on the shoulder in the above photo appears to match the cat in the photo posted by the brittany.pietila Facebook account.

22. Instagram (Meta Platforms, Inc.) provided the FBI with recent IP addresses used by user finnishv64. The most recent IP Address provided was IP Address 38.101.7.68 Time 2023-06-10 18:02:13 UTC. The FBI researched the

27. Discord subscriber information for ImThatGuy#5352 indicates that the user ImThatGuy#5352 changed their username to methwitch#5352. Discord identified 517-833-0604 as a phone number for the user. Discord also advised that user methwitch#5352 last accessed Discord via the IP Address 38.101.7.68 on June 7, 2023.

28. On June 14, 2023, I checked the service provider for 517-833-0604 through law enforcement databases and learned the service provider was Cingular Wireless/AT&T.

29. On June 14, 2023, the FBI searched for 517-833-0604 via the law enforcement database Accurint, which revealed 517-833-0604 was associated with SEANN PIETILA.

30. AT&T records for 517-833-0604 reflect that SEANN PIETILA was listed as the authorized user for 517-833-0604 dating back to 01/29/2021.

31. The FBI was unable to locate any State of Michigan identification for SEANN PATRICK PIETILA.
